Foreign Country Stake** SF [REDACTED] ALC [REDACTED] 7118- [REDACTED]	Stake President [REDACTED] has been accused of sexually touching a young girl at the school where he teaches. There is some indication that this may receive media attention.	30 Oct 2012		10/31/12 - The stake president denies any inappropriate conduct. He is mystified by the allegation. We will stay close to this one with [REDACTED].
Foreign Country Mission** MP [REDACTED] Elder [REDACTED] Foreign Country Stake V - [REDACTED] 7128- [REDACTED]	Elder [REDACTED] is accused of sexually abusing 8-year-old [REDACTED].	22 Oct 2012		10/31/12 - [REDACTED] has returned home. The disciplinary council held in the mission determined no action would be taken. The home stake president is also not inclined to take any action. Leaders are working with the victim's family. We continue to monitor this one.
Mission** MP [REDACTED] Stake SP [REDACTED] Elder [REDACTED] 7128- [REDACTED]	[REDACTED] an illegal alien missionary, was arrested and released for misdemeanor battery. He had a physical confrontation with a man.	22 Aug 2012 28 Aug 2012 26 Oct 2012	28 Aug 2012 18 Sep 2012	10/31/12 - Part of his sentence is 50 hours of community service. The Mission President would like that to happen at the Deseret Industries. Deseret Industries have told the MP that they cannot do this. Any objection to our seeing if we can help to work this out?
Foreign Country Mission** MP [REDACTED] P - Elder [REDACTED] 7128- [REDACTED]	Elder [REDACTED] fondled a young girl over her clothing.	30 Oct 2012		10/31/12 - Elder [REDACTED] confessed to touching the girl in the genital area over her clothing. Our only source of information is Elder [REDACTED]. The event happened over 6 months ago. He is not sure the girl knew what he was doing. [REDACTED]'s companion was meeting with the girl's father privately to prepare him for his baptism interview. This meeting went long when the father disclosed that he had committed a murder. We are trying to confirm if the family was baptized. We have alerted the ALC. The Elder has been sent home for ecclesiastical reasons--in addition to this he confessed stealing fast offerings (he was serving as the branch clerk) and money from the mission. We will leave this one with the ALC.

<p>[Redacted] Stake** SP [Redacted] Bp [Redacted] VF - [Redacted] [Redacted] V - [Redacted] P - [Redacted] (non-member) 7118- [Redacted]</p>	<p>[Redacted] was sexually abused at scout camp in 1979. The perpetrator was a non-member camp staff member. This file was recently released with the BSA IV files.</p>	<p>30 Oct 2012</p>		<p>10/31/12 - This may be heading to litigation for the Scouts. This matter has been getting some local press attention with the release of the IV files. [Redacted] is upset with the way the Stake President at the time handled the matter. BSA refused to give the family the name of the offender. [Redacted] believes that the Church knew who the offender was, but his current leaders have explained that leaders did not know. Media coverage has not mentioned the Church.</p>
<p>[Redacted] Mission* MP [Redacted] [Redacted] District BP [Redacted] V - [Redacted] P - [Redacted] 7176- [Redacted]</p>	<p>[Redacted], a former Indian Placement student, claims he was physically and sexually abused by the father and older brother in the home where he was placed. He has threatened legal action against the Church and given a demand letter to Branch President [Redacted].</p>	<p>26 Sep 2012</p>		<p>10/31/12 - While this claim is clearly barred, [Redacted] has demanded \$8.3 million. We plan to tell him if he is interested in a reasonable sum, in the \$10,000 range, to pay for some counseling then we can talk. We have confirmed with [Redacted] that this is the course he recommends. If he is interested, we resolve this. If he is not, we will invite him to retain a lawyer and file a claim. He claims that there are lawyers in touch with him, which we do not doubt. Concerns?</p>
<p>[Redacted] Mission** MP [Redacted] Elder [Redacted] [Redacted] SP [Redacted] 7128- [Redacted]</p>	<p>Elder [Redacted] confessed to sexting with a 15 year old girl in [Redacted] prior to his mission. The girl sent him nude photos.</p>	<p>30 Oct 2012</p>		<p>10/31/12 - The missionary department is reluctant to send this Elder home to [Redacted] where he may face prosecution for a felony. His conduct is clearly unlawful in [Redacted], and his Stake President would have a duty to report. The Elder also recently confessed to kissing and some touching with a 15 year old girl in the mission field. It is clear that the Elder needs to go home. Direction?</p>
