Please just give me your cell number and I will have the Church operator place the call.

Elder [REDACTED]: It would be very easy for you to join this conference call. If you desire to do so, just let me know and I'll have the Church operator dial you in as well.

Best.

Sunday at 9:30 pm will work the best. I'm in Alaska- in and out of service- will return Saturday evening. Have coverage this morning. Please advise if you want me to call you or you call my cell?

Thanks!
